CAPABILITY STATEMENT

About ForeSight Communications

Foresight Communications delivers marketing/PR consulting, project management, program management, and staff augmentation services to the federal government, state, and local municipalities. We bring experience from multiple resources to reduce risk and ensure client satisfaction. Using a client-focused approach, we present solutions and tailor talent to your specific needs. We strive to be a company that delivers best-in-class services to our clients that exceed expectations.

ForeSight Communications operates with a team of 10 full-time employees (FTE) and a network of 20 contractors. This structure allows us to maintain core expertise in-house while scaling resources as needed to support large-scale initiatives and specialized project requirements, providing both agility and depth in our service delivery.
